## Average Weather September In Siracusa (Sicily), Italy

September is a very pleasant time to visit [Sicily](#). The [weather](#) is still fantastic, just like in [Gozo](#), but the island isn't as crowded as it is in the summer [months](#). During your stay you can expect plenty of clear blue skies with loads of sunshine and temperatures of up to 26°C during the warmest part of the day. The temperature cools down to 19°C after sunset, which is still pleasantly warm.

[Click here](#) for a 14-day weather forecast for Sicily.

<https://weather-and-climate.com/siracusa-September-averages>

The average minimum temperature (usually the minimum temperature is noted during the night) in Siracusa in September is 17.0°C (62.6°F). The amount of rain in September is normal with an average of 45mm (1.8in). The average maximum temperature lies around 29.0°C (84.2°F). With a water temperature of around 25.0°C (77°F), this is a great month to swim. If you enjoy looking at a blue sky and like sunbathing than this month is a great period to visit Siracusa. It has 247 hours of sun.
